

TriHealth Women's Health Van

Conveniently Providing Breast Care to You

IT'S A FACT – one in eight women today will develop breast cancer. In an effort to make early detection more available to all women, TriHealth is providing digital mammography screening through its new Women's Health Van.

The Women's Health Van will provide mammography screenings at the following location:

Darke County General Health District

**300 Garst Ave.
Greenville, OH 45331**

**Tuesday, Jan. 17, 2012
10 a.m. to 2 p.m.**

Appointments will be made in 15-minute intervals and patients should expect to spend 30 minutes on the van.
